

MAKING LIFE MORE AFFORDABLE

CLIMATE ACTION INCENTIVE

**An average Manitoba family of four will receive a \$339
Climate Action Incentive payment through their
Income Tax and Benefit return this year.**

IF YOU LIVE IN A RURAL
COMMUNITY, YOUR CLIMATE
ACTION INCENTIVE WILL BE

10% HIGHER.

IMPROVEMENTS TO EMPLOYMENT INSURANCE

Reducing the waiting period.

Waiting period for EI benefits reduced from two weeks to one week.

Eliminating the higher eligibility requirements for new workers.

If you've just lost a full-time job, you can't wait weeks to get the Employment Insurance (EI) benefits you need to make ends meet.

Our EI improvements are another way we're making sure Canadians get the benefits they need, when they need them.
